FROM THE CHAIRMAN

Welcome to the officials, players and supporters of Oxhey Jets for this Cherry Red Records Combined Counties League Division One match along with the referee Nicola Christopher and his assistants Jack Peet and Cesar Sibita.

We begin the 2025-26 season with plenty of optimism after finishing a solid eighth position in the last campaign along with a successful defence of the Middlesex FA County Intermediate Cup.

It is important that we take this progress further with the aim of being serious promotion challengers.

Looking at the players that have performed for us in the pre-season friendlies, we have kept the nucleus of the 2024-25 squad and have made a number of key acquisitions.

At our level of football, it is important to have a flying start as we are fully aware that the eventual champions will only lose a handful of games. Just look at the records of the previous two CCL Division One champions Amersham Town and Windsor & Eton.

So it is important we get off to a good start this afternoon against an Oxhey Jets outfit, that appear to be rebuilding their squad.

After today, we have an away fixture on Tuesday evening when we make the trip to Addlestone Moor to take on Staines & Lammas (Middx). This is followed by a home game next Saturday when we entertain Bedfont then an away game on Tuesday 5th August when we go to last season's bottom side FC Deportivo Galicia. We have a third consecutive Saturday home game when we entertain Berks County on 9th August.

Our cups campaign commences on Saturday 23rd August when we travel to CCL Premier Division North side Amersham Town. In the Esoteric Division One Cup, we will be away to Windsor on a date to be confirmed.

COMBINED COUNTIES LEAGUE REVIEW

LEAGUE FIXTURES

Stranded at the bottom of the Cherry Red Records Combined Counties League Division One 2024-25 table with three games remaining, Woodley United performed the 'Great Escape'.

Woodley United defeated both Brook House and Hillingdon Borough 4-1 away and followed this with a 5-0 home victory over Oxhey Jets on their final day of the season.

In the clash against Jets, Dylan Clark eased the tension for the United supporters with a goal in the second minute. George Day netted after 28 minutes and Clark bagged his second in time added on at the end of the first half.

Ty Moorcroft netted a further two goals in the second half to ensure Woodley United finished outside of the relegation zone.

However, all three 'relegated' sides Windsor, Rising Ballers Kensington and FC Deportivo Galicia were given a reprieve.

VISITING THE BROOK

OXHEY JETS

Oxhey Jets suffered a disappointing start when they were knocked out of the Hertfordshire FA Charity Shield on Tuesday evening.

The Jets put up a battling performance against Spartan South Midlands League Premier Division side Sawbridgeworth Town.

However, it was a difficult trip to Crofters End and resulted in a 4-2 defeat for the Cherry Red Records Combined Counties League Division One side with a highlight being a goal from forward George Rice.

This will be Oxhey Jets' third season in the CCL Division One after being relegated from Premier Division North following a below-par 2022-23 campaign.

The Jets finished 10th in their first Division One season but could only manage 13th in 2024-25.

There appears to be an air of rebuilding at The Boundary Stadium so it is likely the Watford side will finish in a midtable position.

□ The current general manager John Elliott founded Oxhey Jets in 1972. Playing their first season as an Under-12s team in the South West Herts Youth League, having been playing friendly matches as the Second Oxhey Boys Brigade team for two years before that.

A winning start in the League Cup Final on the last game of the season saw the club move on, and more youth sides were added to the clubs structure, with the original side moving up through the age groups.

The Jets' first season in senior football was the in 1978-79 when they entered the Watford and District Saturday League.

ROUND THE PYRAMID

What will be the main talking point for the forthcoming season.

Initially, the focus could be on the taking of penalties.

For decades, the spot kick has been a guarantee for a goal. It is almost disastrous for a side to miss one.

This scenario may now have changed following the Women's Euros in Switzerland.

In many of the matches, the awarding of a penalty certainly did not mean a straightforward goal.

This was certainly the case in the quarter-final clash between England and Sweden.

As we all know, England goalkeeper Hannah Hampton, who suffers from vision issues, was the hero in the penalty-mark shoot-out.

Then we had the tense encounter between Germany and France where the German goalkeeper Ann-Katrin Berger played a big part in ensuring her side reached the semi-finals especially with her fine performance in the shoot-out after two hours of play.

These two goalkeepers and others in the Euros have certainly shown that penalties are no longer a formality.

It was even suggested that Berger spends hours doing research on penalty-takers and this paid dividends with a key save from an effort by France's Alice Sombath.

So will goalkeepers around the country, especially at non-league level, see penalties in a different light.

It is possible that more penalties will be saved this season and as a result, there may be fewer volunteers to take the spot-kick.

□ After the magic of seeing Sutton United and Bromley reaching the EFL in recent years, last season was not one for the dreamers with

both Barnet and Oldham Athletic determined to make a return to the Football League.

For the northerners, they will be hoping to make more significant progress especially as they were one of the founder clubs of the Premier League.

For Barnet, their goal will be to match their highest level, which is the third tier of English football.

It is interesting to see the return of Carlisle United to non-league football. Those of a certain age will remember when The Cumbrians led the old First Division for a few weeks during the 1974-75 season and had a centre-forward in Chris Balderstone, who also played cricket for England and Leicestershire.

□ Bedford Town will have celebrated the Southern League Central then realised they will be facing trips to Darlington and Spennymoor Town in consecutive weeks at the end of February and beginning of March. Let's hope that winter is over by then for their sakes.

Seriously, should we have such fixtures at Step Two? Regionalisation needs to return from EFL Two downwards starting with North and South, as was the case between 1921 and 1958.

There would be four leagues from Step Two, then eight, 16 and so on. Time for another major re-organisation?

□ Again we have been denied the prospect of a Channel Islands derby in English league football. It will not happen for at least another season as Guernsey have slipped to Step Five and will be in the Southern Combination.

Jersey Bulls have continued their rise up the Pyramid and are now at Step Four and will be competing in the Pitching In Isthmian League South East Division.
