

ASHFORD TOWN (MIDDX)

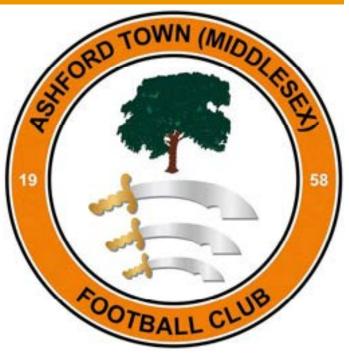

WELCOME NOTES

Good afternoon everyone and we welcome Leatherhead to Cobham for this Pitching In Isthmian League South Central Division fixture along with the referee Jorden Gibson and his assistants James Sedley and Ben Jerrams.

It is a rarity at the moment for us to have a home Saturday here at Cobham as we welcome Leatherhead to the Reg Madgwick Stadium. We lost quite heavily at Leatherhead a few weeks ago but our efforts have not wavered and we remain completely behind manager Luke Tuffs and his squad.

With funds at an all time low, and little income, it is a difficult season without a doubt but we need to concentrate upon the positives, one being that last Friday, we arrested the recent slid albeit with a modest 1-1 draw against Sutton Common Rovers.

We conceded the first goal from the penalty-spot shortly before half-time and once again it was following a second yellow card, this time for an involuntary handball. It was so clearly not intentional and it does seem that nobody fully understands the current hand-ball rules any more. As part of the same situation, a visiting player then struck our goalkeeper for no obvious reason and SCR were down to ten men before they actually scored the penalty.

The second half saw us playing against ten men as a result and it did not take too long before we equalised through Basim Mirtahmasebi and we looked reasonably set to go on and claim victory. It did not work out that way though as the ten men thwarted our efforts and indeed, missed what looked like an open goal right at the death. That really would have been a sickener!

The 3G work is proceeding at pace we understand as the current dry weather has been helpful, while another positive development has been the return of Elliott Poley, who left us a few seasons ago as part of the mass exodus to Uxbridge at the time. Elliott has never been what you would call a spectacular player but he is now a solid and experienced Step Four defender as he showed against SCR. Welcome back Elliott.

We have a little rest from the League this coming Tuesday as we entertain Balham from the Cherry Red Records Combined Counties League on Tuesday evening in the Preliminary Round of the Specsavers Surrey Senior Cup, kick-off 7.45pm. The prize for the winners is a home match against South Park in the First Round Proper.

After that we are away to Kingstonian on Saturday 16th November followed on Tuesday 19th November with an interesting home Middlesex Senior Cup tie against Hendon.

Finally I would like to congratulate our Under-16s for their fine performance in the County Cup against TAP where they came from 2-0 down to clinch a fine 5-2 victory. Well done lads.

Enjoy the game.

THE PITCHING IN ISTHMIAN LEAGUE SOUTH CENTRAL DIVISION

HARROW BOROUGH had two new names in their squad on Tuesday night, as they hosted Hampton and Richmond Borough in a County Cup match.

Tyrese Osbourne, a midfielder, will already be well known to Pitching In Isthmian South Central audiences from his recent spell with Sutton Common Rovers, which saw him make 12 appearances this season and score three goals - indeed one of those appearances was in a draw against his new club in September. He also made eight appearances for Rovers in the closing stages of last season.

He came through the Kinetic Football Academy, based in Croydon, to play for Ipswich Town- and while a Tractor Boy played for AFC Sudbury on loan in our North Division, He played seven times in yellow, scoring once. Last season also saw him play seven times for Sevenoaks Town before moving to Sutton.

Dhilan previously played for the Under 23 side at National League North club Leamington, and, whilst studying, played for the University of Warwick. We don't know his position, but he wore the number four shirt as Borough defeated the Beavers on penalties.

ROUND-UP: Struggling South Park (Reigate) bagged a 2-1 win over bottom side Badshot Lea on Tuesday evening. However, lowly Moneyfields lost 1-0 at high-flying Kingstonian on Wednesday.

ASHFORD TOWN (MIDDX) CROWD FUNDING PITCH PROJECT

The last few years beyond the horrible COVID period has been highly challenging and has affected our lives in a whole host of ways.

Our amazing volunteers, supporters and players have all played their part to get Ashford Town (Middx) to where we are today. The club has just announced we've successfully secured grants worth over £1.2m for us start the transition to new beginnings as a community football club after years of effort.

We've spent a small fortune on legal and planning fees to ensure the project could get going but this has left the club in a highly challenging situation where we're unable to pay for junior winter training facilities, relying on generosity of supporters for paying for a ground-sharing arrangement to allow first team games to continue and to pay our critical utility bill debts we've acquired while prioritising getting the 3G project going.

While the long-term future looks bright for this club, in the short term the club needs a significant cash injection to maintain its role in the local community and cover the costs of keeping the lights on at our club.

We know that everyone has been hit financially, but any donation would go a long

way to helping us secure the future of the club. With over 300 junior players across our youth section, plus our senior men's and women's teams, it's imperative the club can continue to operate and set the club up for the future. All donations raised will go directly into the club for the direct benefit of everyone involved.

Thank you so much in advance for your generosity and kindness. If we can successfully navigate through this tough period, this club will re-assert itself as the top local community club in Spelthorne and remain so for generations to come.

LEATHERHEAD HISTORY

Leatherhead FC can trace its history back to the formation of Leatherhead Rose in 1907. Rose were crowned champions of the Dorking & District League in 1910 and 1919 before joining the Kingston and District League where they won the League title three times, the last in 1938-39.

Leatherhead United were formed in 1924 and, in 1925-26, won Division One of the Sutton and District League. In the early 1930s, United joined the Surrey Junior League becoming Champions in 1933-34

After the War, officials of the two clubs met and in May 1946, Leatherhead Football Club was officially formed at a public meeting. United's Fetcham Grove ground was to be used as the home ground.

After being elected into the Isthmian League, Leatherhead made national headlines in 1974-5 when they reached the Fourth Round proper of the FA Cup, defeating League sides Colchester Utd and Brighton & Hove Albion before bowing out to First Division Leicester City losing 3-2. In subsequent seasons, the Tanners defeated two more Football League sides at the Grove — Cambridge United and Northampton Town.

After the disappointment of defeat in FA Amateur Cup semi-finals in 1971 and 1974, the Tanners finally reached Wembley Stadium in 1978 but were beaten in the FA Trophy final. The Club then entered a period of decline and were relegated in 1983 In 2006-07, Leatherhead were the lowest ranked team to reach the First Round Proper of the FA Cup, losing 2-1 at Football League side, Torquay United. Mick Sullivan was appointed first team manager in May 2009. Under Sullivan's guidance, the club had its most successful season in years, winning the Isthmian League Cup - the first major trophy for some 40 years - and finishing the season in fifth place in the League before losing a play-off semi-final.

The following season, a dramatic play-off victory against Dulwich Hamlet - 4-3 after extra time -, saw The Tanners return to the Premier Division for the first time since 1983. Tanners stay lasted just the one season though. but they returned in 2014.

Sammy Moore was appointed in the summer of 2017. In his first managerial job Sammy steered Tanners to the second round of the FA Cup, a County Cup Final and a top eight finish in the League before departing for Concord Rangers. He was replaced by former Margate boss Nikki Bull.

After a poor start to the 2021-22 season Luke Tuffs was appointed to the Fetcham Grove hot seat in January 2022, and his team very nearly escaped relegation after a number of battling performances. The 2022-23 season started slowly for the Tanners and after a dozen games, Luke Tuffs decided to step down, and he was replaced by Hayden Bird.

FOCUS ON LEATHERHEAD

Leatherhead manager lan Selley had a successful playing career the highlights being his time at Arsenal where he won the European Cup Winners Cup, FA Cup and League Cup. He went on to play for Fulham and Wimbledon among others.

Selley will have been buoyed by Leatherhead's recent good form after a slow start to their Pitching In Isthmian League South Central campaign. In all competitions, The Tanners were unbeaten in six games prior to their 1-0 home defeat against Raynes Park Vale last weekend.

Notable wins in this sequence was a 4-1 success against Farnham Town along with a 4-0 triumph over Ashford Town (Middx).

Despite their recent good form, Leatherhead are still languishing towards the

bottom half of the table in 15th position with 15 points from 12 games.

The Tigers have had some joy in the cup competitions reaching the Emirates FA Cup Second Qualifying Round with victories over Sevenoaks Town and Dulwich Hamlet before losing 2-0 to Dartford.

In the Isuzu FA Trophy, Leatherhead beat Sevenoaks Town but lost to Hastings Utd.

If the FA Cup first round is all about romance and nostalgia, then the second round takes on a slightly more serious feel.

Reaching the 'proper' stages of the competition is a big deal. But reaching the third round...potentially life-changing.

Once again the non-league clubs did everyone proud. Starting with Tamworth's Friday night win over Huddersfield on live TV, the weekend got off to a flyer. It was a result that would have made the TV execs happy with their choice and Kettering Town followed that up on Saturday by justifying the live pick of their away trip to Northampton.

The fact it was a derby helped but it seems the usual school of thought that a non-league side has to be at home to cause an upset has finally been put to bed. They can do it away as well! Former Premier League striker Nile Ranger popping up in extra-time to score a famous winner. They host Doncaster Rovers in round two.

Ah, extra-time. The decision to scrap replays has been met with, what could be diplomatically described as, erm, mixed reviews. But that's a whole other column for another day.

Tamworth, who will face Burton Albion next, and Kettering are joined by seven other sides in the second round. All dreaming of one more win to take them into the third round where the biggest clubs in the land finally enter.

Gainsborough Trinity's first round penalty shoot-out victory can only be described as chaos. Three-nil down at Hednesford, they somehow got back on level terms, fell behind again in the extra 30 minutes before levelling to force penalties.

Both sides had kicks to win, there was a flurry missed in sudden death and, after a total of 18 spot-kicks, the NPL Premier side won out 5-4.

"I've never been involved in anything like it," said experienced boss Russ Wilcox. They're off to Harrogate Town next.

One of the first round stories has to be Harborough Town. The Step Three outfit had already created history by making the first round stage but Mitch Austin's side love the underdog tag and they played it perfectly at Tonbridge Angels, winning 4-1. Up next is a trip to Reading.

Wealdstone stunned Grimsby Town with a late winner. Matt Taylor's side will welcome Wycombe Wanderers in the second round.

Ben Strevens once scored at Crewe as Eastleigh knocked out EFL opponents. Now he's won there from the dug-out with Dagenham & Redbridge emerging triumphant. They will travel to AFC Wimbledon.

Micky Mellon famously took Tranmere Rovers back into the Football League. A few years later his Oldham Athletic knocked them out of the FA Cup and have been drawn on the road to Leyton Orient.

Brackley beat Braintree Town on penalties to set-up a visit to former non-leaguers Stockport County, now of League One.

And there's a National League Promotion Final rematch when Solihull Moors host their Wembley conquerors Bromley.

Nine potential upsets. Let's see how many can make it to the mystical third round.
