FROM THE CHAIRMAN

Welcome to the officials, players and supporters of Woodley United for this Cherry Red Records Combined Counties League Division One match along with the referee Ashley Carley and his assistants Mikeal Wozniak and Marshal Nyamuchiwa.

It has been a frustrating time in recent weeks and I am not talking about my experiences with the self-service check-outs at the local supermarket.

As the space in this column is rather limited, I will not go into greater detail but my thoughts are expressed on my Facebook page.

Talking of which, I am not sure how Facebook has come to the conclusion that our programme editor is a friend of mine - he has never bought me a pint.

Anyway, back to the football, it has not been the best of starts to 2025 as we have suffered defeats against Langley and Bedfont.

Then we have had a few games called off including the recent fixtures at Windsor & Eton and, last weekend, at Westside.

These games have already been rescheduled and we will be facing Westside, away, on Wednesday 9th April at 7.30pm and we travel to Windsor & Eton on Saturday 19th April at 3pm.

As you can see our season has now extended into April - there was a time when we were scheduled to finish at the beginning of March.

At least, at the moment, we should not be playing three or four times a week but we still need to pray for good weather.

FIXTURE NEWS

Brook House's season will last until at least Easter following the latest round of re-arranged fixtures.

The Brook's league season is scheduled to end on 19th April when we travel to high-flyers Windsor & Eton.

Up until Christmas, Brook House's campaign was due to

end in early March. However, a series of re-arranged games has filled this month and April with two games per week.

This includes three successive home games against FC Deportivo Galicia, Yateley United and London Samurai Rovers.

This sequence is followed

by a trio of trips to Belstone, Hillingdon Borough and RB Kensington.

Towards the end of the month, Brook House entertain Molesey before the final home game against Windsor & Eton.

The Brook then conclude the campaign with away trips to Westside and Windsor & Eton.

COMBINED COUNTIES LEAGUE REVIEW

The battle to avoid relegation from the Cherry Red Records Combined Counties League Division One is beginning to hot up, especially following Tuesday evening results.

The bottom three sides were cut adrift from the rest of the pack but they have all recently started to pick up positive results to give them a chance of avoiding the drop.

Struggling London Samurai Rovers battled to a 4-2 triumph at FC Deportivo Galicia with goals from Miyata, Kamine, Harvey and Isozaki.

It was a similar story for Rising Ballers Kensington who edged to a 4-3 win at Oxhey Jets with Amissah netting twice while Obaze and Delgado were also on target.

At the other end of the table, Windsor & Eton were held to a 2-2 draw at home by Hillingdon Borough despite two goals by Kowallkowski.

CHERRY RED RECORDS COMBINED COUNTIES LEAGUE DIVISION ONE STRUCTURE 2024-25

There were a number of new sides in the Cherry Red Records Combined Counties League Division One for the 2024-25 season.

A couple have slipped down from a higher level and it was not long ago Chalfont St Peter were a Step Four outfit.

Several clubs have moved up from Step Seven including the current leaders Windsor & Eton.

Now that is a name which once graced leagues such as the Isthmian in years gone by. But the current version is relatively new.

Another of the newcomers on their way up is Belstone and are currently in a play-off position.

PFC Victoria have made a steady start while Staines & Lammas are slowly finding their feet.

Both Colliers Wood United and Chalfont St Peter are still trying to find their feet at a lower level.

VISITING THE BROOK

WOODLEY UNITED

It has been a difficult season for Woodley United and they are in danger of being relegated from the Cherry Red Records Combined Counties League Division One.

However, the Berkshire side have shown improvement since Christmas with two notable victories.

The first came at Rising Ballers Kensington where they clinched a 3-1 success against fellow strugglers Rising Ballers Kensington with goals from Ty Moorcroft, Dylan Clark and Jude Van Spall.

This was followed by a 4-0 home win against PFC Victoria where Ty Moorcroft scored twice with the other efforts coming from Ousman Darboe and Jude Van Spall.

This run of form was ended when they crashed 4-1 at Staines & Lammas after Ty Moorcroft had given the visitors the lead after six minutes.

Hear the one about the non-league club whose first ever floodlights were stanchions from a dual carriageway?

It's fair to say things have changed at Aylestone Park since 1974 and last week one of their most famous sons, Gary Lineker, went back to where it all began for him to see their progress.

The United Counties League Premier South side have benefitted from the support of more than £1.2m of funding from the Premier League and Football Foundation – who are funded by the Premier League, The FA and UK Government – to help improve their facilities.

The club now have more than 500 players across 34 teams with the funding also including grants for grass pitches, changing rooms, a full size 3G pitch, goalposts plus maintenance and improvements.

Long gone are the old lights with a £20,000 grant from the Premier League Stadium Fund used to upgrade to energy-efficient LED floodlights.

Lineker played in the first ever game under those original floodlights.

"I've been back a few times over the over the years," Lineker said. "I remember the opening of the floodlights when they first had them put in and now I'm here to see what Premier League investment has done and the difference it has made. It's quite significant and I think it's transformed youth teams and children's football in this country."

Chairman John Greaves was a founding player of the club back in 1968 and remembers the occasion well.

"We were the first local club to have

floodlights," Greaves said. "Those floodlights were old stanchions off a dual carriageway which we managed to beg and borrow. So we were the first club locally to have floodlights – they weren't very good but we had them!"

"Gary played in the game to open the floodlights. Obviously he wasn't famous then but we had former England manager Don Revie to come down and switch them on for us."

Lineker would go on to become a Three Lions' great, scoring 48 times in his 80 appearances and landing the Golden Boot in the 1986 World Cup.

"He used to score goals out of nothing," Greaves said of Lineker's early days. "Nobody was surprised when Leicester City came in for him when he was 16."

"In those days, professional clubs didn't come in for kids until they were 15 or 16. But nobody was surprised because he was banging in about 80 goals a season!"

"He's never lost the connection with the club. He's our president and supports us well."

Lineker also took time out to talk about a famous non-league boy done good – Jamie Vardy!

"Jamie's an absolute legend," Lineker told The NLP. "We love him in Leicester. He's a hero. Probably the second best striker in Leicester's history! No, not at all."

"Jamie's remarkable. He's still going at 38, still knocking in goals and still hugely competitive. He's a brilliant example for players. He's mine and all my sons' favourite player!"
