THE WONDERFUL WORLD OF CHERRY RED

FROM THE CHAIRMAN

Welcome to the officials, players and supporters of Molesey for this Cherry Red Records Combined Counties League Division One match along with the referee Angus McWhirter and his assistants Ben Wong and Michael Oakes.

Our League season continues to be something of a roller-coaster and unfortunately due to this we have not been able to challenge for the play-offs. Since my last notes, we have played four games where our two wins were sandwiched in by two defeats.

Both the victories against Yateley United and Rising Ballers Kensington were thrilling affairs. Against Yateley United, we were 2-0 down within the first ten minutes but came back to win 3-2. RB Kensington may be struggling at the bottom of the table but they showed plenty of resilience. We only took all the points in the clash on Saturday with a goal in time added at the end of the contest by captain Trey Pender-Brown after man of the match Donel Mensah and Reece Keary had scored the earlier goals. It was a different story when we travelled to sides competing for a place in the play-offs. We struggled to come to terms with an organised Belstone outfit and lost 2-0 while, against a competent Hillingdon Borough side, we had our moments but suffered a 4-2 defeat.

This means we have little to play for in the League but we have a Middlesex County FA Premier Cup final to look forward. The showpiece game has been scheduled for Wednesday 2nd April at Hanwell Town and we will be facing Civil Service, who bagged a 3-2 win against AS London in their semi-final. The referee will be Adam Shimmin, who will be joined by his assistants Richard Coker and Simon Cunder. The fourth official will be Ahmed Rafique and Daryl Ann will be the Referee Liaison Officer.

Partly due to this final, and also other factors, our season extends well into April and we now have some tricky weeks.

COMBINED COUNTIES LEAGUE REVIEW

Although they may be adrift of the rest of the pack, the teams at the bottom of the Cherry Red Records Combined Counties League Division One table are still determined to avoid relegation.

Bottom side Woodley United pulled off an excellent 3-0 home win against Colliers Wood United on Saturday with Ty Moorcroft netting twice with their opening goal coming from Jude Van Spall.

Fellow strugglers London Samurai Rovers eased to a 4-1 home victory with efforts from Haruma Yunome, Ryosei Komine, Ryoga Miyata and Goran Babic.

Rising Ballers Kensington are still in relegation trouble after their 3-2 home defeat but they showed plenty of character and saw Omari Hibbert score twice.

Our visitors today Molesey bagged a 1-1 draw with high-flying Penn & Tylers Green with Harlem Bouchez getting a late equaliser.

CHERRY RED RECORDS COMBINED COUNTIES LEAGUE DIVISION ONE STRUCTURE 2024-25

There were a number of new sides in the Cherry Red Records Combined Counties League Division One for the 2024-25 season.

A couple have slipped down from a higher level and it was not long ago Chalfont St Peter were a Step Four outfit.

Several clubs have moved up from Step Seven including the current leaders Windsor & Eton.

Now that is a name which once graced leagues such as the Isthmian in years gone by. But the current version is relatively new.

Another of the newcomers on their way up is Belstone and are currently in a play-off position.

PFC Victoria have made a steady start while Staines & Lammas are slowly finding their feet.

Both Colliers Wood United and Chalfont St Peter are still trying to find their feet at a lower level.

VISITING THE BROOK

MOLESEY

Molesey will be keen to start climbing the football pyramid after a number of years in the doldrums.

Having played at a much higher level, the Surrey club rocketed down the leagues to find themselves at Step Six.

They have had a few years consolidating under the guidance of Peter Doherty.

Coming into this evening's match the Moles are six points off the final play-off place and have only seven games remaining.

Their form has been solid without being spectacular.

Mr Doherty will be pleased with the fact they have lost only eight games in the League but maybe the number of draws will eventually cost them a promotion position.

Since a 2-1 home defeat against Langley on 3rd December, Molesey have only lost two of their last 13 games - going down 4-1 to current leaders Windsor & Eton and 2-1 to lowly Chalfont St Peter, both at home.

THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

It is approaching 15 years since the birth of Non-League Day.

Inspired by a pre-season trip to Devon to watch Queens Park Rangers play at Tavistock, visionary James Doe set it up initially as a social experiment and the rest, as they say, is history.

Now, Non-League Day, scheduled to coincide with an international break, has now grown to become an annual part of the football calendar, backed by Premier League and Football League clubs, MPs, celebrities, media organisations, charities and the like.

But most importantly, it's been embraced by the clubs and fans themselves with the occasion providing a platform for clubs to showcase affordable volunteer-led community football, while offering supporters of Premier League or Championship clubs the chance to get their football fix by supporting their local side.

This week in The NLP, columnist Gregor Robertson told how amid plans of new £2bn super stadiums and ever-increasing ticket prices at the top level, the fans are feeling disillusioned and exploited as the elite game changes beyond recognition.

"These fans feel their game is being taken away from them," Gregor said. "Profit has become a greater incentive than sporting adventure.

"Football in this country has never been so popular. Crowds in England are at their highest for half a century. That's just as true in non-league football.

"But I can't help feeling that elite football on these shores is being ripped away from the places and communities where it was founded.

"So as we approach the 16th annual Non-League Day, a platform conceived to promote the value of community football, a prediction: the trickle of marginalised Premier League fans we've seen converge at local non-league games? That's only the beginning.

"Don't be surprised to bump into more of these fans at your local club.

"Indeed, it may well be that some of those disillusioned and exploited supporters of Premier League clubs are reading this very article right now, stood on the terraces of their local club experiencing life on 'the other side'.

The 3pm kick-offs, realistic ticket prices, the ability to stand (and enjoy a pint) anywhere in the ground and guaranteed a warm welcome by volunteers who run their clubs for a love of the game. What's not to like?

As the years go by, Non-League Day becomes increasingly prominent in the calendar with clubs making the most of their place in the spotlight by putting on a host of special events, ticket promotions and charitable initiatives.

Clubs like Ascot United, who are hosting a St Patrick's Day special when they host Isthmian South Central leaders Farnham Town.

Fans wearing Irish fancy dress will get half-price admission, while the bar is open late for 30 per cent off a pint of Guinness.

Elsewhere, Altrincham are urging fans to Paint The Town Red for Non-League Day when they host National League leaders Barnet.

Without doubt, it was a fantastic advert for the non-league game at the weekend.
