WINDSOR

Cherry Red Records Combined Counties League
Division One 2023-24

Saturday 27th April 2024

Kick-off 3pm

Official Matchday Programme

COMBINED COUNTIES
FOOTBALL LEAGUE

FROM THE CHAIRMAN

Welcome to the officials, players and supporters of Windsor for this Cherry Red Records Combined Counties League Division One match along with the referee Demetri Anastasia and his assistants Robert Beck and Ahmad Rafeque.

We are facing our final game of the season at Farm Park hoping to give our supporters something to celebrate. We managed a creditable 1-1 home draw against Hillingdon Borough on Thursday evening.

After this afternoon, we have a further two away games to negotiate with the first being against Westfield on Tuesday evening.

Some supporters will notice that this game has been brought forward 24 hours and also has a change of venue and will kick off at 7.45pm.

Unfortunately, the match cannot be played at Wibbahune but Westfield have managed to borrow Chessington & Hook's ground at Chalky Lane, which has a post code of SW20 2NF.

Brief directions are as follows - Go via the M4 and M25. At junction 10 of the M25, take the A3 exit towards London (SW)/Guildford/Kingston.

At Wisley Interchange Roundabout, take the first exit on to the slip road to London S/London W/Kingston/Esher/A307. Merge on to the A3 and follow.

After 11.2 miles, take the A298 exit towards Wimbledon and continue on to Bushey Road/A298. After 0.8 miles, make a U-turn and destination should be on the right.

Our final game will be the trip to Holmer Green on 4th May at 3pm. **See travel details on Page 14.**

COMBINED COUNTIES LEAGUE REVIEW

It is a manic time in the Cherry Red Records Combined Counties League Division One with some teams such as Hillingdon Borough having to play on consecutive days.

On the other hand, some sides such as Yateley United will have completed their campaigns by this evening.

As at last night, Amersham had been confirmed as champions while British Airways Berks County and Eversley & California have secured their places in the play-offs.

The final two play-off places are being contested by Molesey and Rising Ballers Kensington. Both Yateley United and Langley appear to have missed out.

At the other end of the table, Bagshot have completed their matches and are bottom.

Holmer Green and London Colney will finish in the bottom three so face the threat of relegation.

VISITING THE BROOK WINDSOR

Former Huddersfield Town forward Garry Haylock has steered Windsor away from the relegation zone in the Cherry Red Records Combined Counties League Division One.

After playing for a number of clubs in Ireland, Greece and England, Haylock was the first manager of Hayes & Yeading United and has been recently in charge at Pitching In Isthmian League South Central Division One side Binfield.

A highlight of his playing career came in 1999 when playing for Greek side Panionios under former Liverpool star Ronnie Whelan, he was part of the team that reached the quarter-

There's nothing quite like the FA Cup to spark debate among football fans. Whether it's kick-off time on FA Cup final day – incidentally this year's is 3pm – or clamours for a return to semi-finals away from Wembley, the world's oldest competition always stirs debate.

You will have no doubt seen the furore around the news replays will be scrapped from the first round proper onwards next season.

A big trigger, apparently, is the expanding UEFA schedule going forward and there are promises of more funding for the grass-roots game.

A post on BBC Sport's X account suggested it would divide opinion – the reality was a large part of it fell on one side.

There probably isn't enough space in this programme column to go through all the 'he says, she says', and much more. But it has ignited passionate views from all corners of the game, to say the least.

What's your view? Are replays outdated or the very fabric of the great FA Cup?

For many in the lower leagues and non-league, replays not only represent a chance to make extra money on top of a current cup run through gates and potential broadcast fees, they are also an opportunity to create memories.

Many clubs have come out and said exactly that over this past week.

Steve McKimm's Cray Valley PM held Charlton Athletic to a draw earlier this season and earned the right to welcome the League One club to their intimate Artic Stadium home in front of the live TV cameras.

"The money they're saying will be passed down is great – but money doesn't make memories," McKimm told us.

"We've had memories this season that will never be taken away from our staff, players and fans. And I only speak for our club – Horsham did the same.

"We both had away games to start with so we had the experience of playing at their grounds.

"Then we had the opportunity to bring good players, good teams, back to our home ground on live TV. That's gone now.

"But it's the memories that matter more than the money. For clubs that make money off it, such as us, it's great.

It helps a club be sustainable and it helps it move on. But it also gives the club memories.

"Cray Valley have never had a League One side come and play a competitive game at our stadium. We've done that now."

As the Millers boss says, Horsham did the same in this year's competition – earning a replay after a thrilling 3-3 draw with Barnsley before a memorable home tie with the Tykes.

There are many other examples. Think back down the years to Burton Albion, then in the Conference, taking the mighty Manchester United to a second game.

The tangible legacy is seen at the club today, but for fans and players the memories burn bright too.

Football, as a whole, should be sure it's happy giving moments like those up.
